Re: *Regents of the University of California and Student Researchers United, UAW*
Case No. SF-RR-1022-H

Dear Mr. Pearson:

In response to categories three and four of UAW's Representation Petition, The Regents provides the enclosed list of Graduate Students who receive financial remuneration:

(3) from Institutional and Individual training grants including but not limited to National Institutes of Health Institutional Training Grants T32, T35, T90/R90, D43, D71, National Institutes of Health Individual Training Grants (F30, F3 1, and F31-Diversity), Food and Agricultural Sciences National Needs Graduate and Postgraduate Fellowship, and National Sciences Foundation Research Traineeship Program; and

(4) from fellowship awards through National Science Foundation Program, National Defense Science and Engineering Graduate Fellowship Program, Department of Energy Computational Science Graduate Fellowship, National Aeronautics and Space Administration Space Technology Graduate research Opportunities Fellowship, during the relevant time period.

By providing this list, The Regents does not admit that these graduate students are performing substantially similar work to Graduate Student Researchers and Graduate Assistant Researchers, nor does it admit that the graduate students listed in the attachment have a community of interest with Graduate Student Researchers or Graduate Assistant Researchers. Rather, The Regents merely provides a list of the graduate students receiving the above grants and fellowships. The Regents further reserves the right to raise any defense or objection to the request for recognition, as well as any subsequent certification. Finally, without further information to support the
